

„Ban Kroumer“ Bar

Same as the entire hotel also our bar has a long and traditional history. Namesake was **Josef Theiner**, he was once a **travelling pedlar** and bought the Weisses Kreuz in **1871**.

From the guest house to the wine trade, the house has continuously evolved and has always been a popular meeting place for locals and guests. The bar business started around 1969, when the “**Mozartkeller**” was opened - a really busy dance bar. Since then a lot has happened and the bar has changed its place quite often. **But back then as well as today - the Kroumer Bar is a place of comfort, hospitality and pleasure!**

Cocktails

The classical ones (anywhere – anytime)

Negroni 8,5

(Gin, Campari, Vermut)

This cocktail has his origin in Florence in Tuscany. 1919 the count Camillo Negroni asked the barkeeper at the café Casoni to mix his Americano with gin instead of soda water. Both of them were very surprised and happy of this drink and so the Negroni started his triumphal procession around the world.

Old Fashioned 8,5

(Bourbon Whisky, sugar, Angostura bitter)

The history of the "Old Fashioned" cocktail from the USA goes back to 1806. In the beginning it was only called "Whiskey Cocktail". After many modifications and recipe changes, on came back to the original recipe and the drink got the name Old fashioned..

Vesper 8,5

(Gin, Vodka, Lillet blanc)

1953 - in the first novel of the James Bond series, Ian Fleming invents this cocktail for his protagonists. In the movies he was replaced with the classic martini dry cocktail and only in the 21st official Bond film "Casino Royal" honored. Eponym is his love - Vesper Lynd

Gin Fizz 8,5

(Gin, lemon juice, sugar syrup, soda)

This cocktail originates from New York and was first mentioned in 1862. At that time, it was already drunk in the morning as a kind of lemonade and was used as an aperitif. The cocktail recipe, which is well over a century old, was chosen by the International Bartenders Association as one of the "Unforgettables".

Before Dinner Cocktails (to start ...)
